A release and waiver will be required to be completed at the test site.

Note: Every participant must declare their intended test(s) prior to the test commencement. They must pass the lower level prior to or in conjunction with the higher tests. For example, if you want to take the Senior test, you must take both the Junior and Senior Test simultaneously, plus pay for both the Junior and Senior test (\$85). If the participant does not pass the Senior, but does pass the Junior, he/she will be awarded the title of Junior trail Horse. No refund will be given for failure to pass any level test attempted.

**A minimum of 6 horses required for testing program. Current coggins and health certificate required.**
